

**CENTRAL INTELLIGENCE AGENCY**

Director, Office of Legislative Liaison

30 January 1986

NOTE FOR: D/OIT

Bill:

Since I doubt that I will get to see all of those in OIT who were in OCS when I was there, I would appreciate it if you would pass to them through your staff meeting my deep appreciation for their past help, my admiration for their professionalism and best wishes in the future.

I had a challenging and rewarding time with them.
